Thugline guess who's back?

(Da thugs)

Tell 'em who the real niggaz is, man?

(Da thugs)

Who the fuck ya come to see?

(Da thugs)

The only niggaz down with me is

(Da thugs)

Who the niggaz straight up off the double glock?

(Da thugs)

Who them niggaz brought you thug love with Pac

(Bone)

(Da thugs)

Who the niggaz mixin' Hennessey and gin?

(Da thugs)

Let's start this shit up, baby

Niggaz guessin' it is my thug nature

That motivates me to chase me some paper

'Cause bein' broke sure 'nuff wasn't the plans when we
made 'em

Straight up, you barely get up off your ass wake up,
wake up

Nigga, how long you think this shit gonna last? Yeah

(Thugs)

Get up, get up got to keep your hustle

Got to fight the struggle if ya wanna survive the jungle

You know I'm a thug for life, I'm knowin' you already
knowin' that

Don't need to be showin' that

Until it's time to let niggaz knowin that, that's what I'm
doin'

(Thugs)

Gonna go platinum outta the box the tracks out, the
raps out

And nigga don't act shocked

You fuckin' with Kray, leatherface sawed off slim

Ghetto cowboy
Whatever you got to say you say it loud, speak up
(Thugs)

No need for flashin' my jewelry to get a broad, hell no
Ain't got no game but nigga my real is raw
You feel me, kill me that's been the discussion of some
bustas
I heard them motherfuckas tryin' to do the thuggish
ruggish
(Thugs)

Bring it on, we about war, world war
Meet us in the streets or bring it to the show
We can rap, bust caps, make 'em know it
While I strangle this bastard with my microphone cord
(Da thugs)

Who them motherfuckas wanna be like?
(Da thugs)
Who them niggaz feel the thug shit we write?
(Da thugs)

Tell them motherfuckas who we do it for?
(Da thugs)
If ya niggaz lookin' for us playa, here we go
(Da thugs)

Why the fuck the cops always fuckin' with
(Da thugs)
Fuck the police that's comin' straight from
(Da thugs)

Who your girlfriend left you for?
(Da thugs)
Who them niggaz you scared to approach?
(Da thugs)

The way they leave ya fine 'til we get there
Nigga you're runnin' outta time
See you with a cop, 'cause we be there
Picture thugs on the line, frontline

The way they leave ya fine 'til we get there
Nigga you're runnin' outta time
See you with a cop, 'cause we be there, pint ya
Thugs on the line, frontline

See krayzie about that nickels and profit
(Thugs)
Keepin' my pockets all swollen

Gimme that bone love
As you can see it's no longer mo' thug

That's your luck, 'cause it ain't no beeper that my peeps
So why do I hear 'em speakin' it different on the
streets?
But check it out
(Thugs)

I'm through with trippin', that's why I got on my mission
and did this
Handled my business, witness your nigga come up on
these millions
Really I been in the cut now for quite a while
When I come out, niggaz gonna recognize the tighter
style
(Thugs)

Now watch out this harmonies
Speed it up, heat it up, beat it up
Give it up, anyways keepin' up
Ain't never been done before just so you know

Wait a minute, oh I want you to meet and greet my thug
tribe
New and improved, I bring to you the motherfuckin'
thugline
(Thugs)

Fuck what you talkin' stupid bitch, it's what you walk
Can you walk? And my thugs strut
It's daily watch me walk
(Thugs)

I never really been one to claim no coast
But you're that Cleveland nigga in here for sho'
(In da house)
That I know
(Thugs)

Who them niggaz stealin' t-shirts and khakies?
(Da thugs)
Who them niggaz keep it real when they rappin'?
(Da thugs)

Who they tryin' to ban, who?
(Da thugs)
And who don't give a damn, who?
(Da thugs)

What you hearin' when you turnin' on your radio?

(Da thugs)
Who you seein' when you lookin' at the video?
(Da thugs)

Who them niggaz smokin' blunts non stop?
(Da thugs)
Who them niggaz escape the block?
(Da thugs)

When you kick it with the thugs
When you smoke a little weed
Call me up, you know the thugs always keep it
We got what you need, just call me up, yeah
(Da thugs)

Teach the world to be like
(Da thugs)
(Whole wide world)
Want the world to be like
(Da thugs)
(Whole, wide, world)

Teach the world to be like
(Da thugs)
(Whole wide world)
Want the world to be like
(Da thugs)
(Whole, wide, world)

What's up to my niggaz Flesh-N-Bone?
(Da thugs)
Stay strong, my nigga
Fuck the law
(Da thugs)
