it seems to me  
like you've been fuckin' with them busta niggaz  
now for quite some time  
get them suckas out yo world, girl  
come with me tonight  
take a ride  
dippin' in my car  
remember you're now with a star  
baby thuggish ruggish  
rough and rugged  
thats what we are  
i wont be braggin' on my name  
or talkin 'bout my fame  
thats lame  
thats game  
im real with this  
you already know what i do  
so ain't no need of talkin' about my life  
how you doin'  
you alright  
don't get it twisted  
i be the realest nigga  
that ever made you feel it  
we can run off to my house  
but thats just if you willin'  
we can run off to yo house  
which ever when i'm ready  
its whatever you feelin' baby  
i'm all in it baby  
not yo average

nigga understand it  
not to be classified  
with them bustas that be actin' (exactly)  
so remember baby, plug yo friends

everybody wanna thug thug thug  
everybody want thug love (love, love, love)  
they want thug

everybody wanna thug (it seems the whole wide world)  
everybody wanna thug thug thug  
everybody want thug love (love, love, love)  
they want thug

now this is something for my thugs  
all over the world  
they poppin they X  
and then ride to it  
vibe to it  
and i hope they understand it  
like i do  
im a bad, sad, mad thug boy  
and music's my joy  
it keeps me goin  
when i think i wanna stop  
so now im callin after all my thugs  
to gather with me  
pump yo fist up  
and make 'em feel ya  
in 94, we hit 'em up  
rough, rugged and heartless  
and thats when all this thug shit started  
who was the rawest  
kickin up ill  
rebels get in the game  
(?) niggas  
put it down  
with a style  
that made rappers eat it up like fried chicken  
niggas is harmonizin they raps now  
(?) they rap style  
they got the nerve  
to tell us that we fell off  
now thats foul  
im a thug
