It was too late to be conceeeeeeeerned.
So tha story goes you live and learn.
Well well well.

Ohhhhhhh.
Oooohoooh, oohoooh, ooh, oh.
Well well well.

[Krayzie:]
Yeah yeah!
What I'm gonna do is get into some real shit right about
now.
Straight up, my life.

Grew up in tha ghettos of Cleveland man.
I've seen so many crazy thangs you can believe man.
I been there.
Seventeen, I'm out on my own tryna be grown.
I was just tryna keep from fallin up on tha d-low.
Niggaz started from zero.
Doin it tha way that we know.
Can't get niggaz for see low.
Sellin them kinda fiendo.
I did it to make a livin even though I was sinnin.
That's why today I'm on my knees asking about
forgiveness.
But I was hustlin, strugglin man cause it was hard.
Gotta do something cause nothing ain't gone help at
all.
I want it better but it ain't.
I wanna change my ways but I can't.

[Hook:]
Cause it was too late (much too laaate) to be
conceeeeeeeerned.
(too even ever be concerned)
So tha story goes you live and learn.
Well well well.
It was too late (much too laaate) to be
conceeeeeeeerned.
(too even ever be concerned)

So tha story goes you live and learn.
Well well well.

In a sence of direction I'm headed down to tha justice center.
I think it was 6 in tha morning bout ah rush me nigga.
When they cuffed me nigga.
They tried to scuff me nigga.
But could'ntbudge ah nigga cause I'm a thugsta nigga, ya hear me?
But I'm in tha cell now, bellow round, jail brown steady pacin and awaintin my so called fair trail.
A couple a months done passed me up uh nigga still sittin.
I'm stuck in tha system in tha jail still trippin, listen.
Lookin at these still walls, drivin me nuts.
That's why I jump up everytime they shut.
I guess I ain't so tough.
Wish it was better but it ain't.
I wanna change now but I can't.

[Hook]

It's too late for me to be concerned now.
All uh nigga can do is live and learn now.
That's tha only way to save yourself from tha drama that you gave yourself.
Well well!
Some of my niggaz out there still livin wrong.
Some of them niggaz is pretend on living long.
Some of them niggaz are gonna get killed to learn.
That it's too late to be concerned.
That's why they live and, ya live and learn.
Live in, ya live and learn.
Live in, ya live and learn.
