Whats up lil youngsta??
I see you widin on corner with the thugstas,
Smokin on blunts & throwing up where you come from,
You on the run from the cops,
Pulled a gun on your pops,
So he chucked out the house, & its on,
Lil niggas only 12 years old,
But man nobody can tell him nothing cuz he swear he
grown,
Skipping school, Cutting classes,
Looking to get some action,
Keep a gat cuz he might have to blast you fast & take
ya cash,
& mommeh(mommy) aint understand why her baby's
gone crazy,
Maybe because she forgot to mention god when she
raised ya,
He got snatched up and trapped by the world now,
Momma wishing she would of had a lil girl, Why?
Cuz shorty wanna be thug,
Gotta be a thug,
But shorty really need a hug,
All he needs is love, (love)
& I bet ya that love will reach em,
Hell grow up to be a man if you just tell um, Teach Em
Love Ya Life

Chorus

Children Are The Future, Hey Young World,
Gotta Love Ya Life, Children Are the Future,
(Hey Young Kids Dont Follow Theese Thugs)

So yea he played the dumb dumb,
But hey,
You should of listen to your mommy and daddy,
They tried to tell you lady, wait till your ready to make a
baby,
Your 16 & at 16 you think you know alot of things,
But you know not a thing,

make a mistake a nigga take away your dreams,
I see babies, keep having babies,
We must be crazy to let our babies have babies,

Chorus

Gotta Love Ya Life, Children Are the Future,
(Hey Young Kids Dont Follow Theese Thugs)
