Krayzie

Ain't nothin' changed, we still ain't got no love for  
police/ Won't be happy till they underneath 6 feet and  
deceased/ Tossed a doughnut to they grave, that's  
how we do Po-Po/ Protected by the guage and killas  
that loco/ I step in the party draggin' a body bag,  
motherfucker, this ain't no lolli gag/ When I run up ya  
get done up and I snatch that lil' bit a heart that you  
thought you had/ LeathaFace, the boy is bad/ With a lil'  
bit of action, bring it, rap it, sing it, bust it, what ever  
dawg/ What ever you wanna do, I'm wit it, wicked/ Hate  
on the Leathaface, hate on (?) I gotta get 'em, I drop  
'em and spit 'em outta dust/ Thuggin' then I 'em when  
they buzzin' give me some money/ Leathaface, that  
nigga you dial up to get rowdy raw and riled up/ And  
I'm ready so now what. Take em back to tha  
underground and get down/ The wickedest style on  
wax/ We spittin' the venom, get in 'em and kill 'em/ This  
sting is deadly, it's comin' you better be ready to die,  
die...

DJ U-Neek

I remeber there was a time when a nigga didn't need  
radio or video to blow up around this bitch. We takin'  
this shit back to the underground, we takin' our shit  
back, you know what I'm sayin'. Now we got these  
motherfuckers think that gave out game to us, you  
know what I'm sayin'. Fuck the radio, fuck these  
magazines, fuck these video programs to records,  
fuck everybody this is the underground baby. We takin'  
this shit back to the streets to where we brought it  
from, we takin' our shit back. Fuck ya'll.

-Chorus-Krayzie & DJ U-Neek-

Murda mo' (fuck 'em ya'll) Murda mo' (fuck 'em ya'll)  
Murda mo' (fuck 'em ya'll) Murda mo' (fuck 'em ya'll)  
Murda mo' (fuck 'em ya'll) Murda mo' (fuck 'em ya'll)

Murda mo' (fuck 'em fuck 'em) Murda (We takin' this  
shit back to the streets, believe that.)
