(Krayzie)

Raw, raw, raw. . .

Retaliation is a must, nigga

The enemy must suffer the muthafuckin'
consequences

Deadly. . .

Yeah, I want all of these muthafuckas dead

I don't wanna see one muthafucka left breathin'

Kill all these muthafuckas

(Chorus)

Them niggas be killas

Payback is a bitch, and the bitch is on the period,
period

Bloody, bloody murder. . .

Payback is a bitch, and the bitch is on the period,
period

Killa

(Krayzie)

I'm thuggin off in my house out in Cleveland

Weeded, I'm sleepin', P.O.D.'ed

Dozed off, but I was awakened by the telephone ringin'

I picked it up

Hello? At first, nobody would answer me, so I said it
again

Hello? Somebody starts breathin'

Not thinkin', I hung up the phone

Niggas be playin' jokes, I payed it no mind

It could've been just my fuckin' friends

Then I sat back and closed my eyes

no more than four seconds, it rung again

Hello? And why in the fuck is you playin'?

Somebody yelled out, "You die!"

Before I could even reply,

some nigga jumped right through the window buckin' a
pistol

I jumped out of the chair, grabbed the bullets on the
way to the stairs

Feelin' hot bullets fly over my head

Thinkin' for sure that I'm gonna be dead

Scared? Oh yeah!

So I turned around and ran out the backdoor instead
Them niggas was steadily buckin'
Whoever was dumpin', they surely did want me in the red.
Continued to fled--hit a couple of fences
Thinkin' 'bout who could have did this?
Retaliation: I'll handle my business, kill 'em--as God as my witness
I called up my niggas; they ready for war
Kill 'em's the way that we even the score
If you did not come for war, what in the fuck you come here for?

(Chorus)x2

What you niggas be? Killas . . .
Payback is a bitch, and the bitch is on the period,
period
Bloody, bloody murder . . .
Payback is a bitch, and the bitch is on the period,
period
Killa . . .

(Bam)

Five infrared dots, trail by these steel toes runnin' in
your spot
You smokin' hot
Gather troops, destinations be your block
The stakes is high since '94
Got your tightest G for ransom
Maybe unhand 'em and let him go

Hell no, you shouldn't've chanced it
It's not essential, got smoked, only deaththreats on
your boast
So take it as a quote, get violent if you see me, loc
We deadly--step, pay your sins, you'll die a thousand
times
He's found with open eyes, and mesmerized, no vital
signs
That's fifty mercenaries that blood money can't afford
Jump out of new Accords
??? got two swords
A deadly ?, fate been chosen
Get your eyes swollen
I roll and dreams we're golden, and now your hood we
controllin'
You tellin' lies, caught you slippin' up at your Mama's
house
Should've took you out, but I told my homies throw you
out
Better thank your stars, relocate anywhere close to

Mars

Stop actin' hard, you got more than you bargained for

(Chorus)

You niggas be killas

Payback is a bitch, and the bitch is on the period,
period

Bloody, bloody murder . . .

Payback is a bitch, and the bitch is on the period,
period

Killa . . .

(Bam)

We leave 'em shell-shocked, forty glocks and dirty
looks and pop shotz

We verse 'em twice; murda books police, 'cause scared
of heights

It's cowards versus niggas, been shook
didn't recognize the way your body hangin' from a
hook

Thugline don't play

(Krayzie)

Shit!

Dog, I done told 'em

We'll rode 'em

Ho ain't got no scrotum

Slippin' in a clip and reload 'em, and when they jump

Yeah, we gon' unload 'em, and hit 'em wherever,
however they want it

We gon' make sure no one's alive or left to identify me
It ain't over until you die

(Chorus)

Them you niggas be killas

Payback is a bitch, and the bitch is on the period,
period

Bloody, bloody murder . . .

Payback is a bitch, and the bitch is on the period,
period

Killa . . .

Them niggas be killas

Payback is a bitch, and the bitch is on the period,
period

Bloody, bloody, murder

Don't be fuckin' with the killa, killa, killa, killa

Them you niggas be killas

Payback is a bitch, and the bitch is on the period,
period

Bloody, bloody murder . . .
Payback is a bitch, and the bitch is on the period,
period
