intro-Krayzie-

I'm thinkin' about you all the time,
you're always on my mind,
on my mind all the time
I find myself thinkin' about you all the time,
you're always on my mind,
on my mind all the time

Lareece (Krayzie)

It was complicated from the start
You and her, me and him were all friends
Never thought there was nothin' that could tear us
apart
And now I don't know what to do, I started dreamin' of
you (of you...)
And I'm just wonderin' could you feel the same way,
too?
I'll give a penny for your thoughts (And I'm givin' up
two)
A nickel for a kiss (A nickel will do)
Why don't you tell me that you want me? (And I do)
I can't fight what I feel no more (Yeah, you should just
keep tryin' to fight it baby, baby)
I'll give you any thing you want (You know the money
ain't no thang)
And anythin' you need (I need you, you want me)
I wanna be the one to hold you (You could be the one)
I wanna be the one (Girl I ain't trippin' you could be the
one) to hold you
and I want you to want me too

-Chorus-Lareece (Krayzie)-

Hope you're thinkin' bout me cause I'm thinkin' bout
you, boy
Want you to take my heart away
(I hope you're thinkin' bout me cause I'm thinkin' bout
you, girl
Just give me the word and you know I'm a stay)
Hope your thinkin' bout me cause I'm thinkin' bout you,
boy

Want you to take my heart away
(And I hope you're thinkin' about me cause I'm thinkin'
bout you, girl
Just give me the word and you know I'm a stay)

Krayzie-

I be this hectic every time I'm next to you
and I don't mean to be sweatin' you but girl,
deep down under the covers I'm lovin' you
You don't know how bad I wanna touch you but your
man is here
How did we end up here?
This niggas a friend of mine but me and you girl, been
spendin' time
You'll be mine and I can't see you enough comin' off no
other way,
not tonight
Keep you, hold you close and tight, close your eyes
Show you right
I guess I'll see you when we creepin'
I'm all excited cause we meetin' up this evenin'
Who do we blame? It's a shame, shame, shame
And I'm willin' to do what it takes so if it has to be this
way a
and I don't need nobody else
And I don't want care for nobody else
Call when he ain't home (He ain't home)
And if he picks up I'll hang up the phone
so he don't know that we been creepin' (Playa)
Feel high when I'm near you (Playa)
I can't wait to get with you (Playa)
Girl, you know I'm tryin' to feel you (For you always)

-Outro-Krayzie (Lareece)-

Always (Always) Always, always
Always (Always) Always, always
Always (Always) Always, always
