It's Krayzie Bone
It's Krayzie Bone
It's Krayzie Bone
It's Krayzie Bone

Homie, y'all don't know me, mighta heard my name
Ain't nobody feelin' hold me, not in this game
Homie, y'all don't know me, know me
Mighta heard my name, name
But ain't nobody goin' to hold me, especially in this
game

Excuse me, but do you know me?
You've seen me on TV an' in the video
Got caught up in 'Crossroads', forgot that we was
criminals
That's right, we them same niggaz to come up from
nothin'
To what up with them figures

Nigga, my album got better thangs
An' people changed when I got in the game
Niggaz call me, I don't even know how you know my
name
How the fuck you get my number? What the fuck is
goin' on?
Then I got these haters leavin' threats on my phone

They messages be records that they made just for me
I'm not on that, don't give a fuck if you rap faster than
me
But when it come to bein' the realest niggaz that ever
did it
You know Bone Thugs gonna be contendin' for that
position

Listen, if y'all niggaz wanna trip with us
Bomb ya, fall witch a dick in the dust
Get up, what up? Thought ya had me figured out, but
you didn't
Remember next time, that last time
That nigga wasn't bullshittin'

Homie, y'all don't know me, mighta heard my name
Ain't nobody feelin' hold me, not in this game
Homie, y'all don't know me, know me
Mighta heard my name, name
But ain't nobody goin' to hold me, especially in this
game

Homie, y'all don't know me
Y'all mighta heard my name once or twice
Don't start none drama, won't be none drama
'Cause however they want it
They can come get it, believe I got it

Can't be faded, keep thinkin', "Krayzie ain't really
crazy"
Haters, that pressin' me to make me show this lately
Afraid that they mistaken that they thinkin'
Kray ain't hip, hip, hip

To those who pose as friends
But are phony before they can infiltrate
But can't imitate us for long
They better not come talkin' no shit 'cause I'm servin'
'em some

An' fuck whatcha heard, believe whatcha see, please
Dap is cheap, dramatical action speaks
Did you hear it, hear it?
I know ya feel it, feel it, the twelve gauge eruption

Homie, y'all don't know me, mighta heard my name
Ain't nobody feelin' hold me, not in this game
Homie, y'all don't know me, know me
Mighta heard my name, name
But ain't nobody goin' to hold me, especially in this
game

We got a game full of clones that can't hold they own
So they be fast to bite, nigga don't like Bone
Then why the fuck you rappin' like me, bastard?
You know you like it, nigga's funny
Be bobbin' they head to my music
But when they see me, they mean muggin'

Keep lookin' ugly, niggaz but just don't jump
'Cause I'm a nervous nigga an' I'll buck, buck, buck
Thug haters, they get me violent, cops make me riot
You bitches make me sick an' tired, sin keeps me wide
up

An' I needs to be high, just for fuckin' with y'all
An' I dedicate this one to all them bustas, I knew would
fall
Had to get rid of the dead weight that was holdin' me
down
The Thug line officials an' it's goin' down

So wake up, wake up, wake up, wake up, dawg
No need, don't even try to fade us, y'all
Who the nigga in the halls, big balls? That's Sawed Off
Slim
Don't try to get with him 'cause playa, playa

Homie, y'all don't know me, mighta heard my name
Ain't nobody feelin' hold me, not in this game
Homie, y'all don't know me, know me
Mighta heard my name, name
But ain't nobody goin' to hold me, especially in this
game

You don't know me, homie, y'all don't know me
You don't know me, mighta heard my name
You don't know me, ain't nobody feelin' hold me
You don't know me, not in this game
Especially not in this game
