"Look In My Eyes"

Look in my eyes and
Tell me you love me
Tell me you love me
Or, darling, I'll be gone
Gone, gone, gone, gone

Look in my eyes and
Tell me that you're
The one for me and that
Our love will always be
Or, darling, I'll be gone
Gone, gone, gone, gone

You still got time
So make up your mind
What's it to be
Do you want me

I don't need much
I need a touch
Come and love me, please
Or, darling, set me free

Look in my eyes and
Tell me you love me
Tell me you love me
Or, darling, I'll be gone
Gone, gone, gone, gone
