Minutely planned professional crime assassination at
night
Cold-blooded killers on a midnight hunt for a girl who
cannot
Fight
Kidnapped, tortured, skinned alive victim of wanton
abuse
Without protection a life is lost condemned for
speaking the
Truth

Manic
Panic will you suffer endlessly
From agents of brutality

Speak the truth pay the price
The unjust reign the innocent cry

Abomination in the dead of night
Polished metal gleams
Deadly weapons in the hands of beasts
Another martyr screams
A victim cringes, staggers, falls and struggles to live
on
But soon enough their mission done
The spark of life is gone

Manic
Panic will you suffer endlessly
From agents of brutality

Torment
Murder you will die a thousand times
Before they finally let you die

[SOLO - MILLE]

Speak the truth pay the price
The unjust reign the innocent cry

[SOLO - FRANK]
