Young girl, so sweet  
And once so innocent  
Your life, so brutal  
True emotions suppressed  
You scream, but he won't  
Hear a word till, he's had his away  
Victim of the cruelest kind of love

Against his urges there's  
No defense  
The one who gave you life  
Stole your innocence  
You want to be free at any cost  
But you're chained by the shame  
And all your hope, seems to be lost

Bringer of torture  
Bringer of torture

You're not afraid of dying  
What would be worse  
Than this life?  
You're terrified of the pain  
But always returns  
Every night  
Every night

Bringer of torture  
Bringer of torture  
Bringer of torture

Insanity and terror  
Hand in hand  
Childhood dreams  
Comes to an end  
Situation, so vile and insane  
Will never be over  
He's comin' back again  
Again and again

Bringer of torture
