Thrown into sorrow  
Raised into fear  
Shadows of heartless commandments  
Wasteland of zombies  
That never lived  
A ghetto grey and grey  
A future so black  
A past so extreme

A boy in a shell  
The chains around your wings  
To block your integrity  
Before they will be amputated

Amputated!

Where the dogmatic  
Ignorant rule  
The spirit must agonize  
Empire of Satan  
Realm of the damned  
Here in the Kingdom of Lies  
This is out time  
This is out war  
A world wide collective  
You won't walk alone  
Passing out weapons  
To future generations

Disobey the Oppressor  
Refuse Demon Prince  
Disobey The Oppressor  
Forever Demon Prince

Solo: Mille

Disobey the Oppressor  
Refuse Demon Prince  
Disobey The Oppressor  
Forever Demon Prince

Now in the burning embers

Conspiracy is born  
The captive will remember  
Sow the wind, harvest the storm

And from the ancient ashes  
A brand new force is born  
To liberate the masses  
Sow the wind, harvest the storm

Disobey the Oppressor  
Refuse Demon Prince  
Disobey The Oppressor  
Forever Demon Prince

Solo: Sam

Demon Prince  
Demon Prince  
AAAAARGH!

Kill Demon Prince
