"Flag Of The Hate"

Dark shadows lie over the city

Tonight someone will die, you can hear

Some painful scream the air is full of files

The mayhemic legions are ready to steal the human
souls

Come into my vault and do what you have been told

I'll eat your intestines no matter if you pray or please

I'll bring you down to your knees

Tonight you're gonna meet your fate you'll try to run
but it's too

Late I am here to liquidate

Chorus:

Time to raise your flag of hate, destroy the world is our
only aim

To strike them down is the only way to make 'em dead

and make 'em pay

The gallow of the underground shippers on the sea of
blood

All what we want is to crucify your "god"

The posers on this earth have no right to live

We gonna split their brains torture is what we give
