Is there something after you?
Something after you?
Is there something after you?
Will it get you?

Can you feel the panic in you?
Feel the panic in you?
Can you feel the panic in you?
Will it break you?

Paranoia
Coming from within
Taking over
Symptoms of an everlasting phobia

Phobia

Is there someone following you?
Someone following you?
Is there someone following you?
Are you dreaming?

Is someone taking your life from you?
Taking your life from you?
Is someone taking your life from you?
Are you dying?

Paranoia
Coming from within
Taking over
Symptoms of an everlasting phobia
