My inner eye sees many spheres

A cruel dimension where time and space distort
beyond control

A ride to another center of the Universe

My thoughts come undone make me see the dark
stains on my soul

A darkness as cold as ice surrounds me in this place

I probe a veiled phobia, all my own

Creatures crawl out from my weirdest, wildest dreams

They are flesh, not fantasy, they drag me inside the...

SOLO - FRANK

Demons, ghouls, and fiends that once I could ignore

Shred the skin and flesh from my bones

Planets form and die, the cosmos torment me

Unnatural, humongous, neverending...

SOLO - MILLE

SOLO - FRANK

Now I know what dwells within me

Blood - a river of sweat and tears

Flesh - a land God left behind

Soul - a sky of cloudy fears

Deception and disguise dissolve before my inner eyes

My heart turns to stone

God, I'm all alone

Oh, no

All alone
