I'm just a simple girl
That wants someone to love
Tell me that you feel the same way too
Baby it's time to say
The things you need to say
If I'm gonna give my love to you

ooh--

'Cause if you wanna love me
Boy you gotta let me know
If you gonna tease me
You better let me go
(Yeah, yeah, yeah)
If you wanna love me
Please, babe, baby let me know
But if you gonna play me baby
Please just let me go

Ain't nothin wrong with knowin
Where we're gonna be
I'm tired of playin games
When no one wins
(mmm--)
Show me that you're man enough
To fill this empty heart
Or are you just a boy that's standin in

Yeah, yeah

'Cause if you wanna love me
Boy, you gotta let me know
(Gotta let me know, baby)
But if you gonna tease me
You better let me go
(If you gonna tease me)
If you wanna love me
Please, babe, baby let me know
But if you gonna play me, baby
You better let me go

oh-, oh-

la la la la-- la (Let me know)
la la la la-- la (Let me know)
la la la la-- la
la la la la la la la--

And I'm feelin for you baby
You know you drive me crazy
Never gonna give it up
'Til I know for sure
What you'll do

'Cause if you wanna love me
Boy, you gotta let me know
(Gotta let me know, baby)
But if you gonna tease me
You better let me go
(Let me go)
If you wanna love me
Please, babe, baby let me know
But if you gonna play me, baby
Please just let me go

la la la la-- la
la la la la-- la
la la la la-- la
la la la la la la la--

la la la la-- la
la la la la-- la
la la la la-- la
la la la la la la la--
