If anybody wanted to know
How to party and get on the floor
Hear the music play, feel the beat start to bang at your soul
It's that simple

Bring it up then take it down low
Feel your body losing control
Cause the music's making ya feel things you ain't felt before
Oh It's that simple
It's that simple (x4)
Hands up in the sky,

Go party people its alright
If you in the club or if you riding in your ride
Feel the tempo,
Bangin' at your window
Simple

Everybody get in the groove
Feel the bass vibrate in your shoes
Ain't no stressing, time for relaxin, party and move
It's real simple

Move your body out on the floor
Dont be shy grab somebody and go
Feelin' fine we'll be havin' a good time, whata ya know
Oh its that simple It's that simple (x4)

DJ's bangin, music's playin, love is in the air
Hands is high and we gon wave em just cause we don't care
Get your back up off the wall and BOOTY off the chair
Simple
Simple Oh

Leave ya problems at the door ,
Ya worries at the bar

Now's the time to hit the floor and show 'em who you are
Everybody at the party's feelin like a star
Simple
Simple
It's that simple (x2)

Hands up in the sky,
Go party people its alright
If you in the club or if you riding in your ride
Feel the tempo,
Bangin' at your window
Simple
