Breathing in and out, silent
'Cause no one is allowed to hear
The sun's up still we got quiet
Should be sleeping

Whenever I'm scared at midnight
I know that you hold me tight
And you tell me to be quiet
To get some sleep

'Cause I know that these are some of the best times
Nothing is supposed to be
And it doesn't matter whatever I'm dreaming
There is no one there who'll ever know

Yeah yeah yeah

What about what happened last night,
I wonder if you've got a clue
And if you know why I messed up
Well I can't sleep

'Cause I know that these are some of the best times
Nothing is supposed to be
And it doesn't matter whatever I'm dreaming
There is no one there who'll ever know

Now I say, yeah
No, no one knows, yeah
No, no one knows
Now I say, I say, yeah
No, no one knows, no
No, no one knows
Now I say, yeah yeah

'Cause I know that these are some of the best times
Nothing is supposed to be
And it doesn't matter whatever I'm dreaming
There is no one there who'll ever know

No no one knows
