"Don't Forget To Breathe"

there's a woman walking down the street
she's drinking a bottle of beer
she's waiting to give you everything she has
and now, they have to hold on
but now, she has to hold on

down she falls,
don't run away from me, yeah
don't seem to care that they will sell who they are

but don't forget to breathe

breathe in, breathe out,
breathe in, breathe out,
breathe in, breathe out,
breathe in

everybody says that you're
a stupid little payout yeah
give me everybody's help
that we all deserve a second chance

but don't forget to breathe

breathe in, breathe out,
breathe in, breathe out,
breathe in, breathe out,
breathe in

but don't forget to breathe
