What's this, you're trying to talk about
But I, I'm busy shutting out
That's not what we should be

So you've got me
Can you still see
I will hold you tight for the rest of time
I could be like this forever
For as long as it's you

Chorus
Everything I feel is true
Nothing can compare to you and
You are mine
It took a lot to get me here
Now I ain't letting go of it 'cause
You are mine

What's this I haven't been around
You know exactly where I'm found
That's just how it will be

So you've got me
Can you still see
I will hold you tight for the rest of time
I could be like this forever
For as long as it's you

Chorus

Everything I feel is true
Nothing can compare to you and
You are mine
It took a lot to get me here
Now I ain't letting go of it 'cause
You are mine

You gave me time to
Get loosened up about
You taste like it should be
You just knock me out

'Cause I love you, I want you, I need

there should be time to

Chorus

Everything I feel is true

Nothing can compare to you and

You are mine

It took a lot to get me here

Now I ain't letting go of it 'cause

You are mine
