I am trying hard to imagine
Why you put me through
Well, I could only think of you
I was dying for
Some attention
I was trying to get to you
Now I know I could not get to you

I wish it was an ordinary day
It breaks me up
Everything has changed
I'm afraid I'll never be the same
I won't forget and I'll love you anyway

For all the times I cried
Did it hurt you
Or were you relieved to find
That still my faith was blind
Now there's nothing left
For me to lean on
Unlike yesterday, yeah,
There's nothing left to say

I wish it was an ordinary day
It breaks me up that
Everything has changed
I'm afraid I'll never be the same
I won't forget and I'll love you anyway
Anyway

Don't cry, don't try
There's nothing left to long for
Don't fight, don't mind
'Cuz everything will change now
Yeah, everything will change now
Well, everything will change now
Yeah, everything will change now

I wish it was an ordinary day
It breaks me up that
Everything will change
I'm afraid I'll never be the same

I won't forget and I'll love you anyway
I wish it was an ordinary day
It breaks me up that
Everything will change
I'm afraid I'll never be the same
I won't forget and I'll love you anyway
I won't forget and I'll love you anyway
