You're flying high
High above everybody
You are the one
The one we all wanna be
You never cry
No there's just no reason to
You're never alone
'cause there's someone to be

You are so beautiful
It is unbelievable
You are so wonderful
It is just incredible
You are so wise
Yes you just know everything
You're never alone
'cause there's someone to say

Oh I just wanna know you
Just winkle little me (?)
Please touch my hand while walking
Oh how much I wanna be (oh how much I wanna be)

You are so nice
But you just don't wanna see
That I'm kind of nice too

And I also wanna be
You're just amazing
And I kind of understand
You're never alone
'cause there's someone to need (?)

Oh I just wanna know you
Just winkle little me (?)
Please touch my hand while walking
Oh how much I wanna be (oh how much I wanna be)

I have tried to stab you in the back
Told everybody you're a fool
Spit at your picture but it didn't work, no
Spit at your picture but it didn't work

Oh I just wanna know you
Just winkle little me (?)
Please touch my hand while walking
Oh how much I wanna be (oh how much I wanna be)
I wanna be, yeah (oh how much I wanna be)
I wanna be, yeah
I wanna be, be, yeah
