Waiting  
I'm so sick of waiting  
Oh baby  
It's driving me crazy  
But I just can't get enough, can't get enough, can't get  
enough  
I'm waiting  
You just keep me waiting

It's all up to you  
But there's no more time to waist tonight

\*Chorus\*

It would be so much better  
If you could play this game with me (game with me)  
It's now or never  
Or there's no more time for you and me (you and me)  
But you just don't get it  
Just don't get it  
Is it ever enough  
I'd like it so much better  
If you could play this game with me  
Oh play this game with me

Waiting  
I'm so sick of waiting  
And it kills me  
That you're never there for me

I'm so into you  
You just get me up and down again

\*Chorus\*

It would be so much better  
If I could get my way  
It's now or never  
This is the game I play  
It would be so much better  
So much better yeah  
But you just don't get it  
Just don't get it

Just don't get it  
You just don't get it oh no  
\*Chorus\*
