I'm making the same mistake again
Letting you back in again
That is making me wonder about
Everything I am, and everything I can be

I'm giving up I've had enough
There's nothing gonna make me stop
So I'm yelling out my heart
I'll be telling you straight this time

I'm so through with you
You're wasting my time
I feel like a fool
With you by my side
I'll never make the same mistake again

If I look at what we have
I find it hard to understand
What's keeping me waiting
But something keeps pulling me back
While there's really nothing left

I'm giving up I've had enough
There's nothing gonna make me stop
So I'm yelling out my heart
I'll be telling you straight this time

I'm so through with you
You're wasting my time
I feel like a fool
With you by my side

Listen this is where I stand
I can't wash away the hate, all the hate
Once again

I'll be telling you straight this time
I'm so through with you
You're wasting my time
I feel like a fool
With you by my side

I'm so through with you
You're wasting my time
I feel like a fool
With you by my side
I'll never make the same mistake again
