I close the door, locked it up real tight
I just sit down, our time is on our side
You packed your bags, where are we going to
Is there anything you like to say or do

Can't deny, you and I
Are not the way it supposed to be
But I, I live the life, oh baby why
Can't you give me one more try

Chorus:
Can't you stop, don't leave me cause you love me
It's wrong of you to deny because it's true
Just stop playing stupid, say you need me
Just as much as I need you

Say you do yeah

See you sad, feeling lost and down
It's hard, well, look who's laughing now
See you scared, there is no way out
Call me crazy, but you are crazy now

You can't deny, you and I
It's everything I need to be for life
Right by your side, oh baby why
Can't you give me one more try

Chorus

Ohâ€¦
Don't you think about me
Don't you think about me this time
Ohâ€¦
You just don't think about me
Just don't think about me
You should be thinking about me
All the time, all the time, all the time

Chorus 2x

Say you do yeah
Say you do
Say you do
Say you do
Say you do
