Every day is a new day
I tell myself over and over again
Look at me now babe
Don't I look real good
I'm trying so hard but hey

Here I am waiting by the phone
Find myself night after night alone
And I cry myself to sleep
I cry myself to sleep

Yeah, oh oh

All I can think of
Is how you left me
Now I really didn't mean what I said
Maybe I called you a baby
I was just so afraid that you hang up on me, so

Here I am waiting by the phone
Find myself night after night alone
And I cry myself to sleep
I cry myselfâ€¦!

To sleep baby, come back baby
Come back baby, come back babyâ€¦!

I cry myself to sleep
For my love will taste so sweet
I am drowning in real deep
Cause I'm so in love

So I cry myself to sleep
I cry myself to sleep
Yeah, oh oh
I cry myself to sleep
To sleep, to sleep
I cry myself to sleep
