I was just wondering why you hide  
from anything  
you never go outside the lines  
what does it take to make you see  
there's so much more to be

So I'm telling you hey, it's ok  
don't be scared to let it go  
get a little out of control  
(what are you waiting for)  
hey, it's not too late  
if you don't act now  
time will pass you by so come on  
(what are you waiting for)

No, with your bright brown eyes  
just shine, and we will follow you  
never know what till you try  
what does it take to make you see  
there's so much more to be

So I'm telling you hey, it's ok  
don't be scared to let it go  
get a little out of control  
(what are you waiting for)  
hey, it's not too late  
if you don't act now  
time will pass you by so come on  
(what are you waiting for)

If something pulls you down

get up and stand your ground  
don't just walk away  
tomorrow's too late (tomorrow's too late)  
tomorrow's too late (tomorrow's too late)

I was just wondering why you hide  
from anything

So I'm telling you hey, it's ok  
don't be scared to let it go

get a little out of control  
(what are you waiting for)  
hey, it's not too late  
if you don't act now  
time will pass you by so come on  
(what are you waiting for)

hey, it's ok  
don't be scared to let it go  
get a little out of control  
(what are you waiting for)  
hey, it's not too late  
if you don't act now  
time will pass you by so come on  
(what are you waiting for)
