I was shocked because I'm not so tough
As tough as I had thought that I would be
I see that I don't get control but I know now
I'll shut you out, wiser, again
But no, hope that I will not be bored alone

Nothing less than what I think about myself
Is what you'll see in me
I know that I'll get full control, yeah
I'll shut you out, wiser again
Hope that I will not be bored alone, yeah

'Cause you, everything you say is true
Totally rely on you, I swear
I'd give, everything I have got to you
Totally belong to you, you know

You are nothing more than me
But you mean too much to me
I swear, yeah
Why do I belong to you, yeah

Weak as I feel now is what I'll be
If I just let it slip away
I see that I get full control but I know now
I'll shut you out, wiser again, yeah
Hope that I will not be bored alone

'Cause you, everything you say is true
Totally rely on you, I swear
I'd give, everything I have got to you
Totally belong to you, you know

You are nothing more than me
But you mean too much to me, I swear
Why do I belong to you, no
Why do I belong to you

If I will get one kiss before you go
And I don't understand and I will never know
'Cause I will take this chance
To be the strongest again

'Cause you, everything you say is true
Totally rely on you, I swear
I'd give, everything I have got to you
Totally belong to you, you know

You are nothing more than me
But you mean too much to me
I swear, I swear
I swear, I swear, yeah

Why do I belong to you
