They're pickin' up the prisoners and puttin' them in the pen

And all she wants to do is dance, dance, dance

Rebels been rebels since I don't know when

And all she wants to do is dance

Molotov cocktail, the local drink

And all she wants to do is dance, dance, dance

They mix 'em up right in the kitchen sink

And all she wants to do is dance

Crazy people walkin' 'round with blood in their eyes

And all she wants to do is dance, dance, dance

Wild-eyed pistols wavers who ain't afraid to die

And all she wants to do is, all she wants to do is dance

And make romance

She can't feel the heat, 'comin off the street now

She wants to party, she wants to get down

And all she wants to do is, all she wants to do is dance

The government bugged the men's room in the local disco lounge

And all she wants to do is dance, dance, dance

To keep the boys from sellin' all the weapons they could scrounge

And all she wants to do is dance

But that don't keep the boys from makin' a buck or two

And all she wants to do is dance, dance, dance

They still can sell the army all the drugs that they can do

And all she wants to do is, all she wants to do is dance

And make romance

She can't feel the heat, 'comin off the street now

She wants to party, she wants to get down

And all she wants to do is, all she wants to do is dance

All she wants to do is dance

And make romance

She can't feel the heat, 'comin off the street now

She wants to party, she wants to get down
And all she wants to do is, all she wants to do is dance
