Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah

I'm a little pawn still in your game
And you ignore my advances
I turn my head and I look away
But I can't control my eyes around you, yeah

You're on the run and I'm chasing you
It feels like war with all your glances
I'm just a boy without a clue
And I can't control following you

But it's alright, alright with me
It's alright, alright with me
Yeah, it's alright, alright with me
It's alright, alright with me

I know you better than you know
You can fight but it's not over
I say to stop but you start to go
I guess that means it's L-O-V-E

I say to look, you turn away
I say we put our best foot forward
Will you believe? Come next to me
Oh, why can't you see? I'm begging you, please

But it's alright, alright with me
It's alright, alright with me
Yeah, it's alright, alright with me
It's alright, alright with me

Yeah, it's alright, alright with me
It's alright, alright with me
Yeah, it's alright, alright with me
It's alright, alright with me

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah

And I'm knocking on your door, baby, baby, please now
Falling on your floor, baby, baby, please
I keep knocking on your door, baby, baby, please now
Falling on your floor, baby, baby, please

'Cause it's alright, alright with me
It's alright, alright with me
Yeah, it's alright, alright with me
It's alright, alright with me

It's alright, alright with me
It's alright, alright with me
It's alright, alright with me
It's alright, alright with me
