Sometimes we fall down and can't get back up
We're hiding behind skin that's too tough
How come we don't say I love you enough
Till it's too late, it's not too late
Our hearts are hungry for a food that won't come
We could make a feast from these crumbs
And we're all staring down the barrel of a gun
So if your life flashed before you, what would you wish
you would've done

[Chorus]

Yeah, gotta start
Looking at the hands of the time we've been given here
This is all we got and we gotta start thinkin' it
Every second counts on a clock that's tickin'
Gotta live like we're dying
We only got 86 400 seconds in a day
To turn it all around or to throw it all away
We gotta tell 'em that we love 'em while we got the
chance to say,
Gotta live like we're dying

And if your plane fell out of the skies
Who would you call with your last goodbyes
Should be so careful who we left out of our lives
So when we long for absolution, there'll be no one on
the line

Yeah, gotta start
Looking at the hands of the time we've been given here
This is all we got and we gotta start thinkin' it
Every second counts on a clock that's tickin'
Gotta live like we're dying
We only got 86 400 seconds in a day
To turn it all around or to throw it all away
We gotta tell 'em that we love 'em while we got the
chance to say,
Gotta live like we're dying

Like we're dying
Oh, like we're dying
Like we're dying

Oh, like we're dying

We only got 86 400 seconds in a day
To turn it all around or to throw it all away
We gotta tell 'em that we love 'em while we got the
chance to say,
Gotta live like we're dying

You never know a good thing until it's gone
You never see a crash until it's head on
All these people right when we're dead wrong,
You never know a good thing till it's gone

Yeah, gotta start
Looking at the hands of the time we've been given here
This is all we got and we gotta start thinkin' it
Every second counts on a clock that's tickin'
Gotta live like we're dying
We only got 86 400 seconds in a day
To turn it all around or to throw it all away
We gotta tell 'em that we love 'em while we got the
chance to say,
Gotta live like we're dying

Like we're dying
Oh, like we're dying
Like we're dying
Oh, like we're dying

We only got 86 400 seconds in a day
To turn it all around or to throw it all away
We gotta tell 'em that we love 'em while we got the
chance to say,
Gotta live like we're dying
