Lovely walking to me
All dressed up for the party
She'll be talked about tomorrow
But she
Won't see the eyes
That stay
Lovely tells me she loves me
As we walk through the screen
She won't know but
There'll be songs about
The way she looks

Tonight in a gown
Crimson red and floats
Through the room as we waltz on the floor
The spotlight on her
She's lovely
Oh she's lovely
She's so lovely

The night when she's in
Lovely still dancing with her feet on the floor
You would think she could float
She looks back at me

She's ready to go
With that smile on her face
She's lovely
She's so lovely
Lovely walking with me
As we leave from the party
She has the blues
But all I can do is think
The way she looks

Tonight in a gown
Crimson red and floats
Through the room as we waltz on the floor
The spotlight on her
She's lovely
Oh
She's lovely

Tonight in a gown
Crimson red and floats
Through the room as we waltz on the floor
The spotlight on her
She's lovely
Oh she's lovely
She is lovely
