She works hard for the money
So hard for it honey
She works hard for the money
So you better treat her right

She works hard for the money
So hard for it honey
She works hard for the money
So you better treat her right

Onetta there in the corner stand
And wonders where she is and
It's strange to her
Some people seem to have everything

Nine a.m. on the hour hand
And she's waiting for the bell
And she's looking real pretty
Just wait for her clientele

She works hard for the money
So hard for it honey
She works hard for the money
So you better treat her right

She works hard for the money
So hard for it honey
She works hard for the money
So you better treat her right

Twenty five years have
Come and gone
And she' seen a lot of tears
Of the ones who come in
They really seem to need her there
It's a sacrifice working day to day
For little money just tips for pay
But it's worth it all
Just to hear them say that they care

She works hard for the money
So hard for it honey

She works hard for the money
So you better treat her right

She already knows
She's seen her bad times
She already knows
These are the good times

She'll never sell out
She never will
Not for a dollar bill
She works hard

She works hard for the money
So hard for it honey
She works hard for the money
So you better treat her right

She works hard for the money
So hard for it honey
She works hard for the money
So you better treat her right

She works hard for the money
So hard for it honey
She works hard for the money
So you better treat her right
