Someday, when I'm awfully low  
When the world is cold  
I will feel a glow just thinking of you  
And the way you look tonight

You're lovely, with your smile so warm  
And your cheeks so soft  
There is nothing for me but to love you  
And the way you look tonight

With each word your tenderness grows  
Tearing my fears apart  
And that laugh, that wrinkles your nose  
It touches my foolish heart

Lovely, never ever change

Keep that breathless charm  
Won't you please arrange it?  
'Cause I love you  
And the way you look tonight

And that laugh, that wrinkles your nose  
That touches my foolish heart  
Love lead towards you  
Never ever change

Keep that breathless charm  
Won't you please arrange it?  
'Cause I love you  
And the way you look tonight

Just the way you look tonight
