Drive out to see you
Been a long time
No expectations
Can't wait for her smile
Just friends this time

White dress is shinin'
She's lookin' so fine
Try to remember
Slipped my mind
Now we're just friends this time

Didn't mean for the kiss to come in
Wasn't part of the script that was gave
Please forgive
Wipe it away
Wipe it away
Don't let me stay

'Cause I got nothin' for you
No promises
I'm just in your ocean

I'll give you your room

Didn't mean for that kiss to come in
Wasn't part of the script that was gave
Please forgive
Wipe it away
Wipe it away
Oh

Won't you drive away
'Cause I'm no good for you
There's no place
In this place
That was built for you

Didn't mean for that kiss to come in
Wasn't part of the script that was gave
Please forgive
Mmm

Wipe it away
Wipe it away
