I know...  
That I'm goin' away  
But I'll be back soon  
There's things I gotta do  
So don't you even dare  
Give me that "come back" stare  
Cuz you know I'm not that strong  
Need to say good-bye  
But every time I try  
Something you do  
Pulls me back into you  
So tell the driver please  
That I'm not gonna need  
His services tonight, no  
Cuz you got a way  
Of making me stay  
You got my heart in your hands  
You got a way  
Of saying my name  
That I can't resist  
You got a way  
With me  
No matter how I try  
I just can't say good-bye  
When I see that smile  
It makes me stay for a while  
So we're not gonna leave  
Until the autumn trees  
Turn from red to winter gray  
(yes that's what I say)  
You got a way  
Of making me stay  
You got my heart in your hands  
yaehhhh  
And you got a way  
Of saying my name  
That I can't resist  
You got a way  
With me  
No I can't resist  
You got a way  
With me
