Now, that we have gotten through
One more fall,
I can just admit I've got it all
'Cause I do
'Cause I've got you.
We've crossed these battle lines
Too many times.
It passes through the heart.
But it never leaves a mark.

'Cause your love just keeps on healing me,
No matter how I bruise.
If I just trust you,
Your love just keeps on healing me
One more cure, one more chance
That wasn't there before,
In your arms, no pain can harm the way I'm feeling
Lord I know that your love is healing.

I've get around those lines in my head
But I never listened to the words that you said.
See where it's lead.
Well, I know I have it now

'Cause you've showed me how
And all I had to do
Was just to keep my eyes on you.

'Cause your love just keeps on healing me,
No matter how I bruise.
If I just trust you,
Your love just keeps on healing me
One more cure, one more chance
That wasn't there before,
In your arms, no pain can harm the way I'm feeling
Lord I know that your love is healing.

'Cause your love just keeps on healing me,
No matter how I bruise.
If I just trust you,
Your love just keeps on healing me
One more cure, one more chance

That wasn't there before,
In your arms, no pain can harm the way I'm feeling
Lord I know that your love is healing.
