No matter what they call us
However they attract
No matter where they take us
We'll find our own way back

I can't deny what I believe
I can't be what I'm not
I know our love's forever
I know, no matter what

If only tears were laughter (ooh)
If only night was day (ooh)
If only prayers were answered (hear my prayers)
Then we would hear God say (say)

No matter what they tell you (ooh)
No matter what they do (ooh)
No matter what they teach you
What you believe is true

And I will keep you safe and strong
And sheltered from the storm
No matter where it's barren
A dream is being born

(Ooh)

No matter who they follow
No matter where they lead
No matter how they judge us
I'll be everyone you need

No matter if the sun don't shine (sun don't shine)
Or if the skies aren't blue (skies aren't blue)
No matter what the end is
My life began with you

I can't deny what I believe (what I believe, yeah)
I can't be what I'm not
(I know, I know) I know this love's forever
That's all that matters now
No matter what

No matter what (no, no matter, no)

No, no matter
That's all that matters to me
(Repeat X 7)
