I believe the children are our future  
Teach them well and let them lead the way  
Show them all the beauty they possess inside  
Give them a sense of pride  
To make it easier  
Let the childrens laughter  
Remind us how we used to be  
Everybody searches for a hero  
People need someone to look up to  
I never found anyone who fulfilled my needs  
A lonely place to be  
So I learned to depend on me  
I've decided long ago  
Never to walk on anyones shadow  
If I fail, if I succeed  
At least I lived as I believed  
No matter what they take from me  
They can't take away my dignity  
Because the greatest love of all  
Is happening to me  
I found the greatest love of all inside of me  
The greatest love of all  
Is easy to achieve  
Learning to love your self  
Is the greatest love of all  
I believe the children are our future  
Teach them well and let them lead the world  
Show them all the beauty they possess inside  
Give them a sense of pride  
To make it easier  
Let the childrens laughter  
Remind us how we used to be  
I've decided long ago  
Never to walk on anyones shadow  
If I fail, if I succeed  
At least I lived as I believed  
No matter what they take from me  
They can't take away my dignity  
And if by chance that special place  
That youve been dreaming of  
Lead you to a lonely place  
Find your strength in love
