Stress, pain, I don't need memories  
Haunting you and me  
What do you do? What do you do?  
What do you do?  
Troubles arrive on every side  
Who can you run to?  
(Who do you run to?)  
What do you do? What do you do?  
What do you do?

If ain't one thing, if ain't one thing  
It's another, it's another  
I'm down on my knees for you  
Down on my knees for you  
If ain't your friend, if ain't your friend  
It's your brother, it's your brother  
I'm down on my knees for you  
Down on my knees for you

Life is ever changing, strange around most strangest  
scenes  
What will I do? What will I do?  
What will I do?  
Taking the good turns with the bad  
Who can I run to? (What am I gonna do?)  
What would I do? What would I do?  
I'm gonna find my way through, oh

If ain't one thing, if ain't one thing  
It's another, it's another  
I'm down on my knees for you  
Down on my knees for you  
If ain't your friend, if ain't your friend  
It's your brother, it's your brother  
I'm down on my knees for you  
Down on my knees for you  
You heart is broken  
(I'm down on knees)  
You lost a loved one  
(I'm down on knees)  
You say you lost your job  
I know it's hard

(For you, for you)  
Can't pay the rent, yo  
(I'm down on knees)  
My money spent, yo  
(I'm down on knees)  
I can't stop fighting, oh no, no  
Gotta keep on praying, keep on praying  
(Down on my knees)

Whoa, sometimes life is so hard  
You don't know what to do, hmm  
(Down, down on my knees)  
People are dying every day  
For reasons we can't comprehend  
(Down, down on my knees)  
There are so man things that stress you out  
Are you lonely?  
Are you hungry?  
(Down, down on my knees)  
Are you sad?  
You can get down on your knees  
(Down, down on my knees)

If ain't one thing, if ain't one thing  
It's another, it's another  
I'm down on my knees for you  
Down on my knees for you  
If ain't your friend, if ain't your friend  
It's your brother, it's your brother  
I'm down on my knees for you  
Down on my knees for you
