You're so late getting home from the office

Did you miss your train?

Where you caught in the rain?

No, don't bother to explain

Â

Can I fix you a quick martini?

As a matter of fact

I'll have one with you

For to tell you the truth

I've had quite a day too

Â

Guess who I saw today, my dear

I went in town to shop around for something new

And thought I'd stop and have a bite when I was through

Â

I looked around for someplace near, and it occurred to me

Where I had parked the car, there is a most attractive

French cafe and bar, it really wasn't very far

Â

The waiter showed me to a dark, secluded corner

And when my eyes became accustomed to the gloom

I saw two people at the bar who were so in love
That even I could spot it clear across the room
Â

Guess who I saw today, my dear
I've never been so shocked before
I headed blindly through the door
They didn't see me passing through
Â

Guess who I saw today?

Guess who I saw today?

Guess who I saw today?

I saw you
