Before I met you, my life was so different
It was like my emotions were asleep
Well, you've awakened them
And now I'm in love with you
And every time I see you
My heart skips a beat

Once I was so alone, my heart had no fire
Baby, I was working but I was so uninspired
Wasn't looking for love, wasn't looking for romance
But somehow love, it found me
And then my heart began to dance, dance, dance

Baby ooh, baby ooh
(Come closer)
Baby you, baby you, make my heart beat
Baby ooh, baby ooh
(Come closer)
Baby you, baby you, make my heart beat

The closer I get to you, my lips are smilin'
The beat goes twice the tempo, temperature's risin'
Now I'm thinkin' 'bout love, thinkin' 'bout your body
Whenever you're around me
You make my heart begin to dance, dance, dance

Baby ooh, baby ooh
(Come closer)
Baby you, baby you, make my heart beat
Baby ooh, baby ooh
(Come closer)
Baby you, baby you, make my heart beat

Funny how love can change even the simplest things
Baby, when you touch me
Baby, when you kiss me
There's something bout your lovin' boy
That makes my, makes my heart wanna dance

Yeah you've got the power baby
(I wanna dance)
I love what you're doing to me baby

(I wanna dance)
Yeah
(I wanna dance)
Will you dance with me baby?

Baby ooh, baby ooh
Baby you, baby you, make my heart beat
Baby ooh, baby ooh
Baby you, baby you, make my heart beat

Baby ooh, baby ooh
Baby you, baby you, make my heart beat
Baby ooh, baby ooh
Baby you, baby you, make my heart beat

Baby ooh, baby ooh
Baby you, baby you, make my heart beat
