Chorus- If I gave you love the where would that leave
me
If I gave my trust would you use it against me
And if love starts again, would the ending be the same
Or would you prove to be the only one for me
If I gave love...

Verse 1- if I could look into your eyes and see the truth
Then I would know if I should try to put all of my trust in
you
Not having to worry about if things would change
Once I gave myself to you I hope that you would stay
the same
Cause I put all my trust in the wrong hands
And I don't ever want to feel pain again
So how so I know that you're the right man
But I pray that you are so our love could begin

Chorus

Verse 2- I'm takin' a chance on you and me boy
You've given me a reason to let you inside my life
I've been in love before, I know this feeling
I gotta know this time this love is right
I gotta know this time this love is right ohh...
Not enough just to say the words "I love you"
Can't say it baby, baby
Gotta make sure that you doin everything you say
I'm not impressed by lines I've heard before
Baby I need more when its said and done those lines
will fade away

Chorus
Chorus

Bridge- not much to ask of you
I ask that you be true
I won't be played so easily
Been there done that before I can't go there no more
Please oh please son't get me wrong I just want love
I can count on

Chorus- till end of song
