Curtains falls down
Lights come on
I'm alone in the dark and I sang final notes from my heart
Times when I write
Late at night in my room
The candles burn and the paper mirrors my choice of words
Every Time I close my eyes and the world ain't on my side
And I'm sure that I can't change a thing
Then the sweetest man arrives
In my life

I am living out my dreams
'Cause you gave me what I need
You're the only air I breathe
Your the only one can count on on and on
I can always count on
On and on
In my life

I've learned to disguise with my eyes
But he can see deep inside
And he shares the feelings I try to hide
Every time I close my eyes

And the world ain't on my side
And I'm sure that I can't change a thing
Then the sweetest man arrives
In my life

I am living out my dreams
'Cause you gave me what I need
You're the only air I breathe
Your the only one can count on on and on
I can always count on
On and on
In my life

Every time I close my eyes
And the world ain't on my side

And I'm sure that I can't change a thing
Then the sweetest man arrives in my life

I am living out my dreams
'Cause you gave me what I need
You're the only air I breathe
You're the only one I can count on on and on
I can always count on
On and on
In my life
