Do you remember
The last time
We shared a laugh
It seems like forever
Cause now
I hardly ever
See you smile

I've never
Been the fool
To think love
Don't cost
A little pain
I don't think
It's suppose
To be this hard,
To get along
Neither one of us
Wants to say
We're wrong,
So it goes on and on
Every day
I pray for change,
But morning noon
And night all
We do is fight, baby,
It ain't suppose
To be this way

When was the last time
We made love
Not just to make up
It seems like forever,
Cause now I hardly ever
Feel your touch

I've never
Been the fool
To think love
Don't cost
A little pain
I don't think

It's suppose
To be this hard,
To get along
Neither one of us
Wants to say
We're wrong,
So it goes on
And on
Every day
I pray for change,
But morning,
Noon and night all
We do is fight, baby,
It ain't suppose
To be this way

I'm struggling
To find a reason
Good enough
To make it through
There's gotta be something
To keep me loving you
For a long time
Something's missing
And it's gone on without
Fixing and baby
We've gotta figure out
What we're gonna do

Chorus:
I don't think
It's suppose
To be this hard,
To get along
Neither one of us
Wants to say
We're wrong,
So it goes on and on
Every day
I pray for change,
But morning,
Noon and night all
We do is fight, baby,
It ain't suppose
To be this way

Baby I,
I just don't think
We should be kissing
And hugging and loving,
But I don't think

It's suppose to be
Oh the night away
