I've...got...the...love  
I've...got...the...love

-1-

love me right, what's the matter with you?  
hold me tight, why must I tell you what to do?  
smiling, smiling comes as no surprise  
smiling showing, what you see in my eyes

-2-

oh I've got it! right here  
I've got it! right here  
I've got it! right here baby  
I've got the love baby  
I've got the love

-3-

feel me inside, touch me deeper than the skin  
show me you're diggin' every bit of this woman  
take me deeper, give me the love I'm dying for  
oh make me a believer, give me the love  
I'll give you the love you've been dying for

-4-

I've got the love to give you  
the strength to keep on livin'  
yeah, whatever it is

you can't do without what I'm giving

repeat -2-

-5-

baby I can give you  
give you love like a hot, hot water  
keep you runnin, runnin right back  
hit cha, catch ya, got cha like uh  
I can't help it if I work ya like a new job, 24-7  
if I can take a minute just to get you hit you with it  
take it like a man and hold me like woman  
oh baby take me high, I'll work the solo  
so fine won't want another love but mine

repeat -4-

repeat -2-

tell me that you're diggin' every bit of this  
I'm giving to you  
and tell me that you're loving  
and you're diggin' it too  
keep it coming, give you lovin' baby  
'til I'm through, I want you, I want you
