Verse 1

When i first saw you i had nothing to compare to
How could i recognize the man of a life time
But when you first told me of the secrets deep within
me
I had to admit
This is it
If it not had been fortold
The love that would unfold
Cant wait til it overflows
Just look no one even knows
I cant deny it
Im ready to try
When i look in your eyes
I feel butterflies

Chorus

Ya ya pa pa
M-a-n m-a-n m-a-n
Man oh man
Man of a life time

Verse 2

You know i had to get near you cause
Your pullin my trigger duck
Im bout to blow
I think you know your fullfilling my fantasies
I had before you and me
You knew without know
And my mind is blowing
Come take a trip
Come take a dip
I think i knew what eve felt before they slipped
Safe in your arms
Deep in your arms
Ive waited so long to sing you this song
Chorus
