It's Tim and Bob again
Chante Moore again
All up in that, oww goodness
What'chu talkin' about?
It's so hot, we can't be stop
Come on

Baby before you go
Hangin' out tonight
Somethin' you already know
Don't let them get you caught up

Every thing that you do
Could come back on you
I'm not sayin' that you're playin'
I'm not sayin', you're gamin' me

But all your boys don't have a lady
Lookin' for someone just like me
Be careful
(Be careful, be careful)

When you're out there having fun
Just remember I'm number one
Take care of
Take care of me

Gotta do what you do
But if you gamble you could lose
Take care of
Take care of me

Just before you go
Know I'm open, wide open
(I'm open)
You outta act like you know
Even when I'm not around
(You know)

Every thing that you do
Could come back on you
I'm not sayin' that you're playin'

I'm not sayin' you're gamin' me

But all your boys don't have a lady
Lookin' for someone just like me
Be careful
(Better watch it, watch it, watch it)

When you're out there having fun
Just remember I'm number one
Take care of
Take care of me

Gotta do what you do
But if you gamble you could lose
Take care of
Take care of me

When you're out there having fun
Just remember I'm number one
Take care of
Take care of me

Gotta do what you do
But if you gamble you could lose
Take care of
Take care of me

Just realize any time you choose to hang
How I throw that thing and you scream for Chante
Splish, splash, gush, push
Take care of this platinum bush

I was born, Chante Harris
Warnin' Tim and Bob that I rockin' with Chante Moore
So take care of me
When it rain or even on sunny days

When you hit the club with your boys lookin' for ladies
None of them niggas ain't got a woman like you
That can take care of home and the bills too
Cook up a hot meal and make you feel good

Get you hot with it, not trip about you stickin' it
Just keep the conversation limited with them hoes
It could get serious when it come to
My money, my music or my nigga
Better take care of me

When you're out there havin' fun
Just remember I'm number one
Take care of

Take care of me

Gotta do what you do
But if you gamble you could lose
Take care of
Take care of me

When you're out there having fun
Just remember I'm number one
Take care of
Take care of me

Gotta do what you do
But if you gamble you could lose
Take care of
Take care of me

(Take care of)
Take care of
Take care of me
(Take care of)
Take care of
Take care of me

When you're out there having fun
Just remember I'm number one
Take care of
Take care of me

Gotta do what you do
But if you gamble you could lose
Take care of
Take care of me

When you're out there having fun
Just remember I'm number one
Take care of
Take care of me

Gotta do what you do
But if you gamble you could lose
Take care of
Take care of me

(Take care of)
Take care of
Take care of me
(Take care of)
Take care of
Take care of me

When you're out there having fun
Just remember I'm number one
Take care of
Take care of me
