(chante moore michael norfleet eddie ricketts)
This mellow jam, is for the one, who knows me from the
inside,
He always comes around, when i wear a frown,
And lifts me up from the down side.
Savin' the best for later on, is his specialty,
Just wanna take time out to say, thank you for lovin' me.
For every sweet little word you say, thank you baby,
thank you baby,
This uncontrollable smile on my face, thank you baby,
thank you baby,
Thank you for givin' good love to me, constantly,
constantly,
Just wanna take time out to say, thank you for lovin' me.
Can't figure out how he keeps on givin' me good love,
(after good love, after good love),
(after good love, after good lovin') like it ain't nothin',
no.
He can look right in my eyes and see, if i'm truly happy,
I say with all sincerity, thank you for lovin' me.
When everything in my world, seems like it's all going
wrong,
And i'm feeling so heavy, heavy.
And my way i cannot see, it seems like no one, no one,
no one loves me,
I know that you love me for all that you say, and in
every little thing you do,
Thank (thank you baby) you !
I can't explain why you give your love,
All i know it's all i've ever dreamed of,
And the more you give, the more it seems i begin to
live.
And when the morning comes,
I see the sun rushing through our window,
All i can do is say thank you, thank you for lovin' me.
For every sweet little word you say, thank you baby,
thank you baby,
This uncontrollable smile on my face, thank you baby,
thank you baby,
Thank you for givin' good love to me, constantly,
constantly,
Just wanna take time out to say, thank you for lovin' me.
