Are you playing a game?  
Then you gotta play by the rules, sugar  
How do you think you can win?  
Guessing, I gotta take you to school, be there at nine  
o'clock

When you get in the class baby  
You need to learn what type of man  
For you to be one, you gotta talk that talk  
Two you gotta know what'chu talkin' about

Alright, this is test y'all  
Come on, come on hit me with your very best y'all  
I ain't taking nothing less y'all  
I'mma see if we can go all the way, all the way

Alright, this is test y'all  
Come on, come on hit me with your very best y'all  
I ain't taking nothing less y'all  
I'mma see if we can go all the way, all the way

Show me you can think on that level  
Tell me you got more than just now  
'Cause I'm in the mood to take your mind places  
I'm in the mood to get in the mood

Hit me all in my mind boy  
Make me never forget you  
'Cause I need to know it's only mine baby  
Before you get my skirt look around my waist, hold it  
now

Alright, this is test y'all  
Come on, come on hit me with your very best y'all  
I ain't taking nothing less y'all  
I'mma see if we can go all the way, all the way

Alright, this is test y'all  
Come on, come on hit me with your very best y'all  
I ain't taking nothing less y'all  
I'mma see if we can go all the way, all the way

Tell me you won't fail me now  
I hate to have to put you down  
Hope we can see eye to eye  
You gotta make me wanna give it try

But still you can't move too fast  
You know we gotta make the lovin' last  
The thought of you gives me chills  
Why don't you show me just how you feel?

If love is a piece of cake, I just got to play to win in the  
end  
You won't have to play again  
If love is a piece of cake, I just got to play to win in the  
end  
You won't have to play again

Alright, this is test y'all  
Come on, come on hit me with your very best y'all  
I ain't taking nothing less y'all  
I'mma see if we can go all the way, all the way

Alright, this is test y'all  
Come on, come on hit me with your very best y'all  
I ain't taking nothing less y'all  
I'mma see if we can go all the way, all the way

Alright, this is test y'all  
Come on, come on hit me with your very best y'all  
I ain't taking nothing less y'all  
I'mma see if we can go all the way, all the way

Alright, this is test y'all  
Come on, come on hit me with your very best y'all  
I ain't taking nothing less y'all  
I'mma see if we can go all the way, all the way
